

# Which UNT Math Class<sup>†</sup> is Right for Me? (Effective Fall 2014)

- Please consult your academic advisor to ensure you select a course which fulfills degree requirements for your intended major(s).
  - Students who feel prepared to take a math course beyond their placement level are encouraged to take the math placement test.
  - Math placement is valid for one school year.
- † This page only covers college-level courses. Students who are not TSI complete or who are unsure of their TSI status should consult the Learning Center, (940) 369-7006.

## Entry Level Courses open to any student TSI complete in math

**Journalism, Arts, Social Sciences, Humanities, Public Affairs and Community Service, Music, Merchandising Hospitality, and Tourism, College of Education (other than Interdisciplinary Studies)**

These non-technical courses satisfy University core but do not meet prerequisites for higher-level math courses. Some majors & programs require or prefer Math 1681. Consult an advisor for help selecting between Math 1580 and Math 1681.

**Math 1580  
Survey of Math**

OR

**Math 1681  
Elementary Stats  
with algebra review**

Students with good algebra skills wanting a non-technical statistics class should consider taking the placement test to see if they can enroll in Math 1680 instead.

**Business, BA Economics and Interdisciplinary Studies  
EC—6th Grade**

Math 1180 does not meet prerequisites for Pre-calculus or other science or engineering math.

**Math 1180  
College Math for  
Business & Econ**

C or better needed for 1190  
and for 1350

**Math, Science, Engineering  
and BS Economics**

New students are encouraged to take the math placement test to see if they may begin in a higher level course.

**Math 1100 —Algebra**  
Math 1100 serves only as a prerequisite course and does not satisfy the University core.

C or better needed for level 2

## Placement Level 1

**Arts, Humanities, Social Sciences, Public Affairs and Community Service, Journalism, Music, Merchandising Hospitality, and Tourism College of Education (other than Interdisciplinary Studies)**

**Math 1680  
Elementary  
Statistics**

Math 1680 does not meet prerequisites for any higher-level math course.

**Interdisciplinary Studies  
4th—8th Grade  
(College of Ed)**

This chart does not apply to 4th—8th Grade Interdisciplinary Studies Majors. 4th—8th Grade Interdisciplinary Studies majors should always consult advisors before enrolling in any mathematics course.

## Placement Level 2

**Interdisciplinary Studies,  
EC—6th Grade  
(College of Education)**

**Math 1350  
Math for Elem Ed I**

**Math 1351  
Math for Elem Ed II**

**Business, and BA Economics**

Math 1190 does not meet prerequisites for higher-level math classes. Business students planning advanced quantitative study are encouraged to follow the science/engineering track instead.

**Math 1190  
Business Calculus**

**Math, Science, Engineering,  
and BS Economics**

This track is also recommended for business students planning advanced quantitative study. Consult an advisor.

**Math 1650  
Precalculus**

OR

**Math 1600  
Trigonometry**

**Math 1610  
Functions  
& Graphs**

**Placement  
Level 3**

- Placement into calculus requires one of the following:
- (1) Placement via the math placement exam;
  - (2) A "3" or higher on an AP Calculus exam; or
  - (3) Prior college credit for Precalculus or Calculus I

**Math 1710  
Cal I**

**Math 1720  
Cal II**

**Higher-level  
Math**
